FEBRUARY 2026

Luxie - Basic Training

Sully - John Deere Middle School

Jack - John Deere Middle School

Piper - Muscatine Community College

Maddie and Pepper - Advanced Training

WELCOME TO THE FEBRUARY EDITION OF LEGACY CONNECTIONS  
A NEW MONTH MEANS NEW OPPORTUNITIES TO CREATE  
CONNECTION, COMFORT, AND ENCOURAGEMENT THROUGH OUR  
THERAPY DOG TEAMS. AT LEGACY THERAPY DOGS, WE ARE PROUD  
TO SERVE OUR COMMUNITY THROUGH MEANINGFUL VISITS,  
EDUCATION, AND OUTREACH. THANK YOU TO OUR PARTNERS,  
SUPPORTERS, AND FOLLOWERS FOR BEING PART OF THE MISSION  
AND HELPING US CONTINUE THE LEGACY OF COMPASSION.

*Our Programs:*

**LEGACY READING DOGS**

Children can relax and gain confidence when they read aloud to a Legacy Therapy Dog. These sessions create a pressure-free environment where kids can practice reading, build self-esteem, and associate learning with positive experiences.

**MENTAL HEALTH AWARENESS**

**MEET OUR TRAINERS**

Angie and Alina Hall lead Legacy with a focus on positive reinforcement, confidence building, and strong handler-dog bonds. Both are AKC-approved evaluators and active therapy dog handlers, helping teams prepare for real-world success in the community.
